

## Award from Chamber for highways company

A WEST Yorkshire firm specialising in highways, traffic, transportation and water engineering has won an award.

Sanderson Associates, based at Grange Moor, Huddersfield, has been named Business of the Month by Mid Yorkshire Chamber of Commerce and West Yorkshire solicitors Eaton Smith.

Sanderson Associates, founded in 1987,

is led by managing director Alison France. She said: "This award is a tremendous honour for all of us. It is a tribute to my hard-working and committed staff, of whom I am incredibly proud.

"It is especially pleasing to receive such an honour in these challenging and difficult economic times."

During its 22-year history, Sanderson

Associates has undertaken more than 5,300 schemes in both the private and the public sectors with names such as the Department of Transport, Leeds City Council, Leeds University, Tesco and Morrisons on its client list.

The Business of the Month award is open to all companies in Calderdale, Kirklees and Wakefield.
